

## LCEF Merit-based Program: Approved Round One Projects

Recipient	Project Description	Total Grant Amount
<b>Agricultural Business Projects</b>		
Rosebank Colony Ltd.	Fuel switch from propane to biomass boiler upgrade agricultural project	\$280,000
MPS Farms Ltd.	Fuel switch from diesel to electrical grain dryer agricultural project	\$242,422
Stoesz Acres Ltd.	Efficiency gain for grain dryer and diesel to electric grain handling agricultural project	\$144,200
Bar H Farms Ltd.	Efficiency gain for grain dryer and diesel to electric grain handling agricultural project	\$363,563
Enns Cattle Co.	Fuel switch from diesel to electric grain handling agricultural project	\$54,250
Foothill Farms Ltd.	Efficiency gain for grain dryer and fuel switch from diesel to electric grain handling agricultural project	\$144,744
B.Elder Farms Ltd.	Fuel switch from diesel to electric grain dryer and handling agricultural project	\$106,338
Kelly Grain Ltd.	Fuel switch from diesel to electric grain dryer and handling agricultural project	\$610,887
Rocky Hill Holding Company Ltd.	Fuel switch from propane boiler to electric hydronic system agricultural project	\$143,775
Hammond Agriculture Ltd.	Fuel switch from diesel to electric grain dryer agricultural project	\$61,181
J&G Wilson Farms Ltd.	Efficiency gain grain dryer upgrade and fuel switch from diesel to electric grain handling agricultural project	\$265,934
RC Hodgson Farms Ltd.	Efficiency gain grain dryer upgrade and fuel switch from diesel to electric grain handling agricultural project	\$140,000
RP Brunel Inc.	Fuel switch from diesel to electric grain drying and handling agricultural project	\$66,131
Sean McIntosh Farms Ltd.	Fuel switch from diesel to electric irrigation reservoir agricultural project	\$66,913
Ash Haven Farms Ltd.	Efficiency gain for grain drying upgrade and fuel switch from diesel to electrical grain handling agricultural project	\$48,536
4M Farms Ltd.	Fuel switch from diesel to electric grain handling agricultural project	\$206,500
Russel Grains 3000 Ltd.	Efficiency gain for grain dryer upgrade and fuel switch from diesel to electric grain handling agricultural project	\$565,635

## LCEF Merit-based Program: Approved Round One Projects

Recipient	Project Description	Total Grant Amount
GPW Farms Ltd.	Fuel switch from diesel to electric grain handling agricultural project	\$208,600
Irv Toews Farms Ltd.	Fuel switch from diesel to electric grain handling agricultural project	\$104,057
New Rosedale Colony Farms Ltd.	Fuel switch from diesel to electric powered irrigation system agricultural project	\$215,931
Rutherford Farms Ltd.	Fuel switch from diesel to electrical grain handling agricultural project	\$166,682
Voeselek Farms Ltd.	Fuel switch from natural gas to biomass grain drying agricultural project	\$616,000
SKT Farms Inc.	Fuel switch from diesel to electric grain handling agricultural project	\$92,750
Mark Guenther Farms	Efficiency gain for grain dryer upgrade and fuel switch from diesel to electric grain handling agricultural project	\$396,716
<b>Not-For Profit Projects</b>		
Crossways in Common Inc.	Fuel switch from natural gas to electric boilers and solar assist project	\$453,472
UWCRC Inc.	Winnipeg Balmoral Street net-zero fuel switch, self-generated clean energy transitional housing project	\$710,120
10072901 Manitoba Association Inc.	Winnipeg 308 Colony Street net-carbon zero high-rise apartment building project	\$2,360,914
Market Lands Inc.	Net-carbon zero residential, mixed-use medium rise building project	\$964,325
<b>Municipal Projects</b>		
City of Winnipeg	Geothermal heating and cooling fire station project	\$179,000
City of Flin Flon	Whitney forum arena boiler upgrade from natural gas to electric project	\$139,429
<b>Provincial Projects</b>		
Manitoba Housing	Fuel switch propane to electrical furnace at Churchill townhouse project	\$445,000
Manitoba Shared Health	Churchill Block B residential building propane to electric boiler fuel project	\$371,432
<b>32 Recipient Projects</b>	<b>Total maximum funding</b>	<b>\$10,935,437</b>
