For Immediate Release

Fire Department Check ing for Working Smoke Alarms and Implementing the S.A.F.E. Family Program

Firefighters from	
and members of	
will visit local residents during	to perform free smoke alarm inspections,
replace batteries and install one smoke alarm per home for	qualifying residents as part of the Smoke Alarm
For Every Family (S.A.F.E. Family) program. Fire department	representatives will be checking to ensure that
all homes in	have the required number of smoke alarms
and that they are in working order. If residents require addit	ional smoke alarms or have alarms that are not
working, fire department personnel will install one 10-year li	thium battery smoke alarm at no cost.

The ______ campaign is part of an effort to reach out to local residents, including older adults, homes with young children, new Canadians and residents of neighborhoods who are vulnerable to fire deaths. Installing a working smoke alarm in the home of ______ residents who don't have one will increase their odds of surviving a home fire.

According to the National Fire Protection Association (NFPA), the international non-profit leader in fire, electrical, building and life safety and official sponsor of Fire Prevention Week, working smoke alarms are the key to saving lives from fire. Smoke alarms are the most effective warning device there is and a working smoke alarm in your home would increase your chance of survival by 50 per cent.

"Our goal is to make sure residents have the protection of a smoke alarm," says

Because smoke alarms alone won't prevent every fire death, our project also includes educating residents to have a home fire escape plan so they know what to do if the smoke alarm sounds."

During the S.A.F.E. Family program, local firefighters will fan out through the area, visiting residents in

Residents who wish to schedule a home visit should call ______. at _____.

The S.A.F.E. Family program is a province-wide initiative sponsored by the Manitoba government through the Office of the Fire Commissioner and the Firefighters' Burn Fund. The overall goal of the S.A.F.E. Family program is to save lives by protecting every home with working smoke alarms and a practiced fire escape plan.
